Have A Question

Community Christian Church is a busy place as we serve God together! We have so many things going on that no one knows *everything* that we do. So....if you have a question or a curiosity, please ask Pastor Brown, a Board Member, and/or an Elder. We want to create an environment of asking questions and learning together. What a great church we have!

LAMB House volunteering this month will be Tuesday, November 26th from 9:15 am to 1:00 pm. Please come join the fun as we serve God in our communi-

CROP Hunger Walk on November 3, 2024

Community Christian Church (DOC), Our Savior's Lutheran Church, and Camdenton United Methodist Church are coordinating a CROP Walk!!! CROP Walk for Hunger is an event centered around a community walk. Ours will be on November 3, 2024 starting at 2:00 pm (this is a Sunday afternoon and there is no conflict with the Chiefs game because they play on Monday night). The walk serves to raise money to fight hunger -- 75% of the funds raised will be distributed worldwide through Church World Service; 25% remains in the Lake of the Ozarks area and will be given to Share the Harvest. The walk itself will be at the football practice field near Camdenton High School. You are encouraged to sign up to raise funds and to walk on November 3. Teams or individuals can sign up at

Please contact Pastor Brown or Sarah Faes if you have questions.

WORDS FROM THE WILDERNESS

Thanksgiving is almost here and then ADVENT!!! This is an exciting time!!! I thought I would share my October Board report this month as my newsletter article. Enjoy and thank you for being an integral part of CCC.

Communication. My role at Community Christian Church (Disciples of Christ) comes down to communication. In our everchanging world of 2024, communication keeps changing and CCC must keep up if we are going “to proclaim Christ’s love to all people through worship, study, fellowship, and service.”. I want to thank each board member, our employees, and many members/friends of CCC for this reality. Keep up the good communications!

Examples (and I know I am missing many more!):

- Thank you to Bonnie Black, Mason Farris, and Jenny Gum for their communications to make Fiber Fest incredible.
- Thank you Judy Crawford, Mason Farris, and Jenny Gum for their communications to support Master Naturalists being in our building.
- Thank you to Steve Calcari for organizing Sunday openers and closers (doors, thermostats, lights, etc.).
- Thank you to the property team that communicates in many, many ways to get things done at our facility.
- Thank you to Stacy Lynch and all she does in our office.
- Thank you to Annie Daniels and her organization and communication with gym use.
- Thank you to everyone involved with apple pies!
- Thank you to Vince Travnichek and the pastoral support team. They are an important part of my relationship building with the congregation.
- Thank you to Lee Ann Mitchell, Cindy Waters, and Laurie Thompson for their updates on a few of our shut-ins.
- The list goes on and on and on.....

Communication matters if we want to be the church we say we are. Communication matters if your pastor is to be aware of what you, or a loved one, is going through. Let’s keep figuring out ways to not assume, but rather to connect and build community.

Our God, Our Community, Our Church!!!

WOOD WORKING & FUND RAISER

On Saturday November 2nd, LIVE EDGE WOOD WORKS SBC will have a sale of custom table, cutting and charcuterie boards. 10% of each sale will be donated to Community Christian Church to help pay for youth church camp in 2025.

There will be a good selection of live edge coffee, end and sofa tables. They bring the feature of the original tree right into your home. Every table or board from my shop is 100% unique; one-of-a-kind. Due to the edge wood, there can never be an exact duplicate. All my work is made from Missouri hardwoods and exotic woods from Africa & South America.

For the fans of those Superbowl guys from KC, there will be 12 walnut arrowhead end tables. One or two may look great in your man cave.

The sale will be at 73 Sorrento Drive (off Hwy 5) in Greenview from 10:00 to 2:00. Announcements will be made at church. Please stop by and **PLEASE TELL YOUR FRIENDS!**

Steve Calcari

Do you need some

If you have a trip on the boat planned or a picnic or even a cookout and need to fill your cooler up...

Please stop by the church and use the church's ice machine to fill up your coolers. We have plenty of ice, so do not hesitate to come and fill up as many coolers that you need!

QUIPS &

QUOTES

**Easy Street is still mighty hard to find
Hats off to the past, coats off to the future.

**Charity sees the need, not the cause.
If you fear someone will know it, don't do it.

ALUMINUM CANS

Did you know, we collect aluminum cans to raise money for our youth? If you would like to support our youth, then please leave cans under the carport by the van. If you have recycling other than aluminum cans, PLEASE put those non-aluminum cans recycling items in the large bin outside.
